

**U.S.S.N. 09/096,648**  
**HADLACZKY et al.**  
**PRELIMINARY AMENDMENT**

**REMARKS**

Any fees that may be due in connection with filing this paper or with this application may be charged to Deposit Account No. 50-1213. If a Petition for extension of time is required, this paper is to be considered such Petition, and any fee charged to Deposit Account No. 50-1213. A copy of Figure 2 with corrections indicated in red ink, and a copy of the Formal Drawing of the corrected FIG.2, accompany this Amendment. It is noted that the original Formal Drawing of corrected Figure 2 was provided to the USPTO (BOX PGPUB DRAWINGS) on January 26, 2001.

Amendments are made to Figure 2 because of objections raised to the figure in related case U.S. Application Serial No. 08/695,191. In that application, the returned Form-PTO 948 raised an objection to the borders on Figure 2. Upon inquiry, it was recommended by the Drawing Review Branch that the objection could be corrected by the insertion of reference numerals in each box.

A substitute formal drawing of Figure 2 was prepared, including the corrections, in accordance with 37 C.F.R. § 1.84. The specification is amended in accord with the minor changes in the Figures. A copy of FIG. 2, with recommended corrections indicated in red ink and a copy of the corrected FIG. 2, are provided herewith.

None of the amendments add new matter nor require additional search or examination.

Respectfully submitted,  
HELLER EHRMAN WHITE & McAULIFFE LLP
